

S.No	Item Code No.	Description / Specifications / Cat / Part No. of Scientific Technical / Administrative Stores	Quantity Required
1	2	3	4
1	158A431	FTEB BRIDGE MODULE CONFORMALLY COATED Model: TK-FTEB01 Part No: 51309512-175 Firmware Version: C Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	2
2	166A056	PMIO HART AI IOP 16pt COATED Model: MC-PHAI01 Part No: 51403479-150 Firmware Version: L Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	3
3	158A439	Digital Input Processor Card 32 Point Model: MC-PDIX02 Part No: 51304485-150 Firmware Version: E Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	2
4	166A016A	LLAI Multiplexor Processor Card 32 Point Model MC-PLAM02 Part No: 51304362-150 Firmware Version G Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	4
5	158A437	16 Point PMIO HART Analog Output Processore Card, Coated Model: MC-PHA001 Part No: 51403476-150 Firmware Version: F Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	1
6	166A057	Digital Output Processor Card 32 Point Model MC-PDOY22 Part No 80363975-150 Firmware Version G1 Compatible with Honeywell C200 Controller and software release Experion PKS R210 (R10.0.65.45) Make = Honeywell	2
