

## Specifications

**Micromod 53MC5000 two loop extended F-Tran programmable  
Controller, Make: USA with following components**

Sr. #	Item	Qty
1	Main Board Micromod Controller 53MC5000 two loop extended F-Tran programmable board Item No. 614C189U13 Make: Micromod USA	3
2	CORD SET Part No. 686B616U03	2
3	ANALOG Part No. 686B617U01	2
4	ANALOG Part No. 686B613U03	2
5	Ribbon Cable From main PCB To Expansion PCB Part No: 173D135U01	2
6	Ribbon Cable From Expansion PCB To Front Display Part No: 677B942U01	2
7	Controller Backplane card Part No. 686B604U02 with screws for fitting in casing	2
8	Electrical cable for connecting J3, J4 and J5 with Controller Part No. 677B944U01	2
9	Controller Backplane card Part No. 686B607U01 Rev 03 with screws for fitting in casing and connector for main 220VAC power supply	2
10	Modular Controller Front Display, Type: H-Micro DCI 53MC 5000 Part No.698B179U01	2
11	Expansion PCB for AI/AO,DI/DO Part No. 686B605U01,Rev 07	2
12	6DI,4DO PCB, Part No. 686B600U01, Rev 03	2
13	Power Supply Card on Main Board, Part No. 164B130U03, Rev 06	2
