

# SPARES OF RECIPROCATING COMPRESSOR CR-204

| Sr. | Description/Specifications                                                                                                | Quantity |
|-----|---------------------------------------------------------------------------------------------------------------------------|----------|
|     | <b>Reciprocating compressor<br/>Kohler &amp; Horter GMBH<br/>Comm. No. K 1386-95</b>                                      |          |
| 1.  | Suction valve 1 <sup>st</sup> stage (98 CRK)<br>Assembly # 62-147887-CD<br>Article # 13.098.6000.310, Position # 13.02    | 04       |
| 2.  | Discharge valve 1 <sup>st</sup> stage (98 CRK)<br>Assembly # 67-147888-CD<br>Article # 13.098.6000.320, Position # 13.05  | 04       |
| 3.  | Suction valve 2 <sup>nd</sup> stage (79 CRK)<br>Assembly # 60-148826-CD<br>Article # 13.079.4200.310, Position # 213.02   | 02       |
| 4.  | Discharge valve 2 <sup>nd</sup> stage (79 CRK)<br>Assembly # 60-148827-CD<br>Article # 13.079.4200.320, Position # 213.05 | 02       |
| 5.  | Suction valve 3 <sup>rd</sup> stage (54 CREK)<br>Assembly # 60-469358-CD<br>Article # 13.054.2000.310, Position # 313.02  | 04       |
| 6.  | Discharge valve 3 <sup>rd</sup> stage (54 CEK)<br>Assembly # 65-148832-CD<br>Article # 13.054.2000.320, Position # 313.05 | 04       |
| 7.  | Valve Plate (98 CRK, S=3.0)<br>Part # 80-432178-PK 30                                                                     | 10       |
| 8.  | Valve Plate (79 CF, S=4.0)<br>Part # 80-331075-PK 40                                                                      | 10       |
| 9.  | Valve Plate (54 CEK)<br>Part # 85-147207-PK 40                                                                            | 10       |
| 10. | Spring Plate (98 RX, S=0.6)<br>Part # 91-120845                                                                           | 10       |
| 11. | Spring Plate (79 RLX, S=0.6) for suction valve<br>Part # 91-129616                                                        | 10       |
| 12. | Spring Plate (54 RX)<br>Part # 91-469462                                                                                  | 10       |

## Important Note:

- Make and country of origin should be clearly mentioned in quotation.
