

Technical drawing of a circular flange. The drawing shows a circular flange with a central hole. The outer diameter is labeled $\varnothing 550$. The inner diameter of the central hole is labeled $\varnothing 350$. The flange has six mounting holes, each with a diameter of $\varnothing 450$. The mounting holes are arranged in a circular pattern around the central hole. The flange has a raised outer rim and a central recessed area. The drawing is a top-down view.

1. 标注尺寸单位: 公制MM。
2. 未注尺寸公差: IT11;
3. 加强筋与地脚螺栓焊接;
4. 注意: 地基垫片必须保存水平。
