

WEIGHING BALANCE & INDICATOR ALONG WITH ACCESSORIES

Sr#	Description	Qty
1	<u>PRECISION INDUSTRIAL WEIGHING BALANCE</u> Model IS150IGG-H1or Equivalent Capacity (Kg) 150 Readability(G) 0.1 Platform size (IN) 32x24 Weighing Platform Indicator connectivity Combics II and III Sensing Force Motor Cell Cable Length 9 ft Stability Weight Stabilize 1.5 second Weighing Design Electro Magnetic Construction Stainless steel platform Rating FEC/166-IP67	01
2	<u>DIGITAL WEIGHT INDICATORS (COMBICS3)</u> Load cell connection 4 or 6 wire Supply voltage 9v Power requirements 120-240 VAC, 17w/ 23 VA maximum Housing AISI 304 Stainless steel Dimension 11.9in Wx7,4in D x 3.5in H Operating Temperature 14 ⁰ F to 104 ⁰ F Rating IP67/NEMA4X Protection Compatible for above Weighing platform	01
3	<u>DC POWER SUPPLY TO WEIGHT PLATFORM</u> Dc power supply compatible for above weighing platform	01
	<u>Notes:</u> a. Manufactured By: Sartorius Germany or Equivalent. b. Operation and Maintenance Manual in English
