

Ser. No.	Description	Qty (Nos.)
1	Advantech Controller, UNO-1483G - Fanless industrial box PC with Intel Core i3-4010U processor, 8GB RAM - With Advantech Power Adapter (19V, 120W) and other standard accessories - With 2-Port Isolated CANBus, CANOpen, MiniPCle iDoor Module DB9X2 - Part No: UNO-1483G-9S51	16
2	Advantech Industrial SSD - 128GB Ultra MLC 2.5" SATA SSD - Industrial grade SSD - Part No: SQF-S25U8-128G-SAE	20
3	15-Ch Digital Input / Output Modbus TCP Module - 8 isolated digital inputs / 7 isolated digital outputs (Sink type) - Modbus TCP interface - Advantech ADAM module - Part No: ADAM-6250-AE	25
4	8-Ch Analog Input Modbus TCP Module - 8 analog differential inputs - Modbus TCP interface - Advantech ADAM module - Part No: ADAM-6217-AE	8
5	4-Ch Analog Output Modbus TCP Module - 4 relay type analog outputs / 4 isolated digital inputs - Modbus TCP interface - Advantech ADAM module - Part No: ADAM-6266-AE	3
6	Advantech Industrial Display Unit, PPC-3181SW-P65A - 17" Display, Core i5-6th Gen, 8GB RAM, Windows 10 Enterprise, 1TB HDD - Stand Mounting and Panel/Rack Mounting - Advantech Power Adapter and other standard accessories - Mfr. Part No. PPC-3171SW-P65A	3
7	16-Ch Digital Input Modbus TCP Module - 16 isolated digital inputs - Modbus TCP interface - Advantech ADAM module - Part No: ADAM-6251-AE	20
8	16-Ch Digital Output Modbus TCP Module - 16 isolated digital outputs - Modbus TCP interface - Advantech ADAM module - Part No: ADAM-6256-AE	10
