

SPARES FOR SA COMPRESSOR AND DRYER

Sr.	Description/Specifications	Quantity (Nos)
	Service Air Compressor Type GA55+ HAV Atlas Copco Airpower n.v., Belgium	
1	Blow Off Valve Part No. 1622-3694-80 (Ref #: 1115)	02
2	Safety Valve Part No. 1202-5749-00 (Ref #:1010)	02
3	Temperature Sensor Part No. 1089-0574-04 or 1089-0574-70	02
4	Temperature Sensor Part No.1089-0574-12	02
5	DP Pressure Transducer Part No. 1089-0575-43	02
6	Pressure Transducer Part No. 1089-0575-51 (Ref# 1060)	02
7	Pressure Sensor/Transducer Part No. 1089-0575-51 (Ref# 2070)	02
8	Fan Switch Part no. 1089-9139-04	02
9	High Pressure Switch Part No. 1619-5703-00	02
10	Drain Assembly/Kit Part No. 1622-3798-81	02
11	Plastic tube Part No.0070-6002-03	25 Mtrs
12	Plastic tube Part No.0070-6002-13	25 Mtrs
13	Solenoid valve Part No. 1089-0621-19	02
14	Solenoid valve Part No. 1089-0621-20	02
15	Solenoid valve Part No.1089-0702-13	02
16	Pressure Sensor Part No.1089-9481-53	02
17	Pressure Sensor Part No. 1089-0575-65	02
	Service Air Dryer (Type: CD-230) Spare Parts Description:	
18	Pneumatic Actuator Part No.1617-6052-00	01
19	Needle valve Part No.8204-0941-09	01
20	Pressure Gauge Part No. 1617-6060-01	01

Sr.	Description/Specifications	Qty (Nos)
	Service Air Dryer (Type: CD-230) Spare Parts Description:	
21	Filter Part No.9093-0032-11	01
22	Pressure Regulator Part No.9093-0034-31	01
23	Solenoid valve Ref No. 63, Part No. 1089-0621-01	01
24	Solenoid valve (120V 50Hz 16Bar) RefNo. 63, Part No. 1089-0621-02	01
25	3-Way Valve Part No. 1617-6159-02	01
26	Non-Return Valve Part No.1017-6399-02	01
27	Exhaust Valve Part No. 1017-6272-03	01
28	Exhaust Valve Part No. 1617-6595-03	01
29	Pressure Transducer Part No. 1089-0575-45	01
30	Temperature Sensor Part No. 1089-0574-07	02
31	Solenoid Valve Part No. 1089-0668-03	01
32	Dew Point Sensor Part No. 1089-9481-51	02
33	Gauge (16 bar) Part No.9090-1657-00	01
34	Mini Regulator (16 bar) Part No.9093-0033-01	01

Important Note:

- i. Quoted advance / equivalent model should be compatible to Compressor Model GA55+ and dryer model CD-230
- ii. Complete technical details describing specifications, operation instructions, maintenance, trouble shooting and installation details in English language along with consignment.
- iii. Make and country of origin should be clearly mentioned in quotation.
